According to Michael Reed's research, the cross taboo was a rather late development in Mormon history, manifesting itself at a grassroots level around the turn of the twentieth century, later being institutionalized as protocol in the 1950s by President David O. McKay.

David O. McKay - Sunstone Magazine

Yes, I'm reviewing two books on David O. McKay. My original intention was to review them together (and explore the larger issue of writing faith-promoting as opposed to warts-and-all history), but I decided that wouldn't be fair. It didn't seem fair because David O. McKay: Beloved Prophet is a credible entry in the well-established subgenre of LDS biography. It does exactly what it is supposed ...

Book Review: David O. McKay and the Rise of Modern Mormonism

President David O. McKay of the Church of Jesus Christ of Latter-day Saints was quoted Wednesday as saying as early as 1954 that "There is no doctrine in this church and there never was a doctrine in this church to the effect that the Negroes are under any kind of a divine curse."
